

## Introductory Free Style Curriculum Vase Set and Book Order Form

Special vase and kenzan set and book: The vase is specially designed to work with the book. 48 lessons take you through the course. A variety of materials from the season and basic forms guide you in training your eyes for jiyuka.

The special vase can be used in at least 8 different ways. This allows for you arrange freestyle for many

different types of container shapes. Later when you find a container of a shape you particularly like, you will know how to create a beautiful jiyuka with it

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

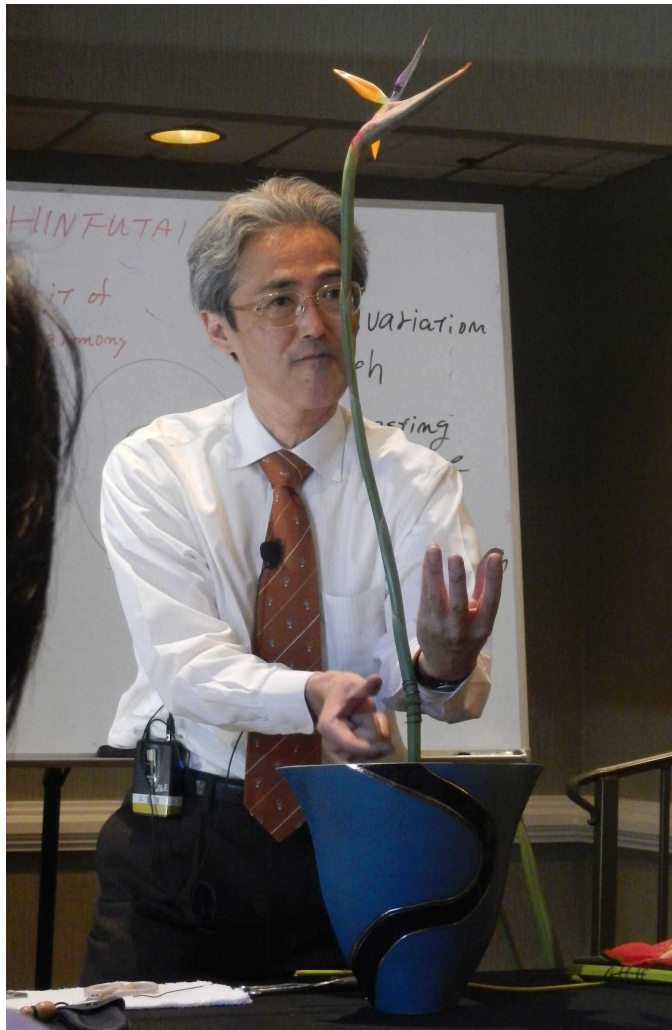

Address: \_\_\_\_\_
